

# Parc House

Wimbledon Parkside

Designed for a private client Parc House is set to be a spectacular architectural addition to Wimbledon's leafy village and surrounding common.

With its dramatic arced roofline this 7,000 sqft iconic development will feature the latest in state of the art home automation as well as conforming to the highest levels in sustainable homes.

Internally the property will boast a treble height glazed entrance and hallway, indoor pool and spa complex and 6 beautifully appointed bedroom suites.

**Completion: Summer 2012**  
**Prices: Not Applicable**
