

# Sarum House

The Crown Estate, Oxshott, Surrey

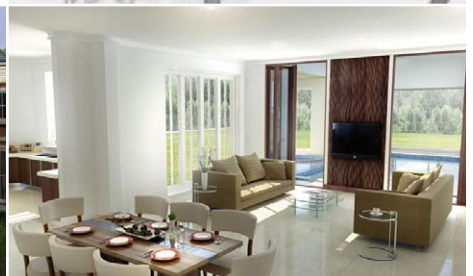

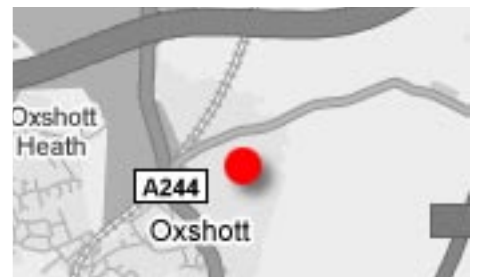

Sarum house has been exclusively designed to exemplify the perfect synergy between classic and contemporary architecture and interior design.

Amongst many of its unique design details this 10,000sqft property will feature a double height galleried entrance with two spectacular glazed helical staircases accentuated by lateral double height windows to the front. The ground floor has been meticulously planned solely with entertainment in mind with drawing, dining, kitchen and family areas easily adapting to create one vast entertainment space of over 2500sqft. Furthermore a magnificent family room will benefit from inspiring views over the indoor pool complex and gardens beyond.

First and second floors will comprise six luxuriously appointed bedroom suites, vaulted gymnasium leading to an outdoor yoga deck, fully self contained annexe and designated cinema room with kitchen and bar. Internal specification will include Crestron home automation, intelligent lighting and advanced security system, built in LCD's to principle bedroom suites, comfort cooling, under floor heating throughout, 8 ft solid walnut doors and bespoke Italian bathrooms and kitchen.

Completion: Summer 2009

**Price: to be released**
